

SOUTH LAKE HIGH SCHOOL
SCREAMING EAGLE BANDS
GROVELAND, FLORIDA

Incoming SLHS Band Family Members:

We are so excited that you are joining the largest, most active, organization at South Lake High School, the Screaming Eagle Band. Our goal is to make you feel acclimated to our school, our program, and your section in the band here when you arrive. In order to facilitate the best possible experience for you at the high school level and to ensure the continued massive success of our overall program, it is imperative that we begin work before the next school year starts. I have included a list of the upcoming events of which you need to be aware and you need to plan to attend. As we do not “audition” students to be in our program (everyone will have a place), we do require attendance and participation in summer and pre-season activities. If you or your family already have a vacation planned during one or two (maximum of two) regular Regiment Rehearsals, please do not change plans. However, camps in their entirety are mandatory in order to have a position in our program next year, so please make every effort to attend everything you possibly can in order to ensure your participation in band and your individual success in our program.
