Changing Gears & Seasons

Now that football season is underway, we are also changing our focus from preparing to perform at football games to concert band and jazz band music preparation. Each class will be doing both concert and jazz band music during class in the next few weeks in preparation of our upcoming Winter Concert and Silver Series Event. We will also begin preparing music for the Spring as well. As we move through the school year, we will be seeking out innovative new ideas regarding when and where we can perform that is out of the ordinary, as many of our formal Music Performance Assessments have been cancelled or modified.

We are tentatively planning to have a Silver Series Event (which is a mini-concert combined with our formal parent meeting) on November 17 at 7:00pm in the Band Room. In addition, December will be a time for us to perform for our public in the Groveland Christmas Parade on December 12, and on Tuesday, December 15 at our “Winter of Wonder” Concert, here at South Lake High School’s auditorium. Unless urged to cancel these events due to safety protocols, we are planning to have these events to help ring in the holiday season.

Thanks to all our families for your continued dedication to our band program and the wonderful students, it has the ability to reach with music.

For the love of music,

Mr. Wright
